How to find in-car, Share to Car journeys

Connected
Services

Before starting

To download the Share to Car journey you must ensure that your car has internet access.

One method of connecting is using Bluetooth tethering.

Please refer to “How to enable Bluetooth tethering”.

Finding Share to Car: Overview

To download your journey to the multimedia device

Step 1 – Click on “Setup”.

Step 2 – Click on the drop-down arrow.

Step 3 – Click on “Online” and then “Toyota online”.

Step 4 – Confirm the correct account is shown & then click the down arrow.

Step 5 – Turn on “POI Auto Download” or alternatively click on “Load POIs/routes from server”.

Step 6 – Your trip has been retrieved!
