DUAL DNA

RICH SUV HERITAGE, DYNAMIC DUAL DNA

The RAV4 Plug-in Hybrid combines our most powerful Hybrid technology yet with outstanding EV capability to power you further, cleaner. Underneath its sophisticated design, the dual energy delivered by our fourth-generation Hybrid technology and high-capacity, lithium-ion battery allows you to enjoy instant acceleration and class-leading range.

CLEAN POWER

INSTANT POWER, UNRIVALLED EFFICIENCY

Powerful, dynamic and sure-footed, the RAV4 Plug-in Hybrid delivers a performance that's in a class of its own. Equipped with a 2.5-litre Hybrid Dynamic Force petrol engine and an intelligent all-wheel-drive system (AWD-i), it sprints from 0–100 km/h in just 6.0 seconds, thanks to its impressive traction and formidable 306 DIN hp output.

Best-in-class CO₂ emissions (22 g/km) and fuel consumption (1.0 l/100 km) show the RAV4 Plug-in Hybrid has the efficiency to match its effortless performance. A new 18.1 kW lithium-ion battery means you can travel up to 75 km* on pure EV power, while the car's 6.6 kW on-board charger provides a full battery charge in 2.5 hours.

Your way to true EV

Switch seamlessly from Hybrid to pure EV through the four-mode drive selector. The default EV mode allows the RAV4 Plug-in Hybrid to travel 75 km* and up to 135 km/h on zero-emission, electric power alone. When the battery is empty, simply let the RAV4's efficient Hybrid system power you on to your destination.

Hybrid

Connectivity

Alongside Apple CarPlay™ and Android Auto™ to handle music, calls and more, the MyT smartphone app allows you to check battery level, schedule recharging times, defrost front & rear windows and even pre-cool or pre-heat the RAV4 Plug-in Hybrid's cabin.

App screen visuals may change subject to release updates.

Interior

From a Head Up Display and 9-speaker JBL Premium Audio system to wireless charging and a 230V boot power outlet, the RAV4 Plug-in Hybrid refined interior delivers uncompromising comfort and convenience.

INNER STYLE

REFINED AND CONNECTED, THE IDEAL SPACE TO RECHARGE

The RAV4 Plug-in Hybrid's stylish cabin provides the ideal setting for quiet, effortless performance. Sporty leather seats and a large panoramic roof guarantee that journeys in the spacious, refined interior are airy and comfortable, while a 520 l boot provides flexible loadspace with minimal battery intrusion.

For seamless access to the car's entertainment and connectivity, the intuitive dashboard boasts a 9" touchscreen with our latest multimedia system and smartphone integration. Features such as cabin pre-conditioning and real-time navigation are delivered by a suite of MyT Connected Services, while a wide range of advanced safety technologies helps to protect everyone, inside and out the car.

Safety

The RAV4 Plug-in Hybrid does even more to keep you and others around you safe. Its advanced Toyota Safety Sense technologies are now more intelligent, to help you drive with confidence and peace of mind.

- Pre-Collision System with Cyclist Detection
- Pre-Collision System with Night-time Pedestrian Detection
- Full-range Adaptive Cruise Control
- Intelligent Adaptive Cruise Control
- Lane Departure Alert with Steering Control
- Lane Trace Assist
- Automatic High Beam
- Road Sign Assist

EXECUTIVE

GRADE

Main features

- 18" grey machined-face alloy wheels (5-spoke)
- LED headlamps (projector type)
- LED light guide daytime running lights
- LED rear lights
- Front fog lamps
- Privacy glass
- Power back door
- Electronic parking brake

- Black Alcantara® & leather seats
- Power-adjustable lumbar support on driver seat
- Power height-adjustable driver seat
- Heated front and rear seats
- Toyota Touch® 2 multimedia system (with 9" screen)
- Mobile Integration (Apple CarPlay™ and Android Auto™)
- 7" colour TFT Multi information screen
- Rear-view camera
- Wireless charger

- Smart Entry & Start System
- Electrochromatic rear-view mirror
- Remote dual-zone automatic air conditioning
- Heated steering wheel
- Windshield de-icer
- Boot 220V power outlet
- Intelligent front and rear parking sensors with automatic braking
- Blind Spot Monitor (BSM)
- Rear Cross Traffic Alert (RCTA)
- Toyota Safety Sense
- Adaptive Cruise Control (ACC)
- Charger (6.6 kW)
- Charging cables: Household plug type & Type II ("Mennekes")

PREMIUM

GRADE

Main features (additional to Executive)

- 19" black machined-face alloy wheels (5-spoke)
- Bi-tone body colour
- Paddle gearshifts
- Black genuine leather seats
- Power reclining and sliding front passenger seat
- Memory function on driver seat
- Driver & front passenger air-ventilated seats
- Multi-colour Head Up Display (HUD)
- JBL Premium Sound system with 9 speakers
- Toyota Touch® 2 & Go navigation system
- Panoramic View Monitor

Head Up Display

Keep up to date on your efficiency and other essential information, without taking your eyes off the road.

STAND OUT IN STYLE

ACCESSORIES

Mud, track or highway, the RAV4 Plug-in Hybrid always means business. If you want to prove these tough credentials, you'll love the genuine Toyota accessories range. It has everything for an even more striking, functional and ready-for-anything RAV4 Plug-in Hybrid.

Chrome garnish

Add a touch of class along the lower edge of your car's boot with a premium chrome boot garnish (1). Creating an elegant and powerful low profile appearance are the chrome side sills (2) which fit beautifully contoured along the sides of your car.

Visit www.toyota.lt or go to your local Toyota retailer for details of the full accessories range.

1.

2.

Side step

The side step gives you easy access to the roof accessories while enhancing the rugged appeal of your car.

3. Cable storage bag

This stylish storage bag keeps your charging cable in good condition and prevents it from getting tangled or cluttering your luggage space.

4. Charging cable

When charging on the go, use this cable (available in 5m, 7.5m or 10m lengths) to connect your RAV4 Plug-in Hybrid to a public charging station.

5. 22 kW Entry Wallbox with charging cable

One of the smallest of its kind, the 22 kW Entry Wallbox features an integrated charging cable and Type 2 plug for home and semi-public applications.

6. 22 kW Connected Wallbox with charging socket

Equipped with one Type 2 charging socket, the 22 kW Connected Wallbox is a smart charging solution for home and semi-public applications. Featuring LAN, WiFi and optional LTE.

Hybrid vehicle battery

Type	Lithium-ion
Number of cells	96
Rated voltage (V)	355,2
Capacity (kWh)	18,1
On board charger (kW)	6,6

The fuel consumption and CO₂ values are measured in a controlled environment on a representative production model, in accordance with the requirements of the new WLTP European Regulation EC 2017/1151 and its applicable amendments. For each individual vehicle configuration, the final fuel consumption and CO₂ values may be calculated based on the ordered optional equipment. The fuel consumption and CO₂ values of your vehicle may vary from those measured or calculated values, as driving behaviour as well as other factors (such as road conditions, traffic, vehicle condition, tyre pressure, load, number of passengers, etc.) have an influence on a car's fuel consumption and CO₂ emissions. For more information regarding the new WLTP test method, please visit: <https://www.toyota-europe.com/world-of-toyota/feel/environment/worldwide-harmonized-light>

YOUR COMPLETE PEACE OF MIND WITH TOYOTA

HYBRID SERVICE PROGRAMME

Hybrid Battery Extra Care cover[§] on an annual/15,000 km basis (whichever comes sooner) up to the 10th year from vehicle registration date.

QUALITY SERVICE

Your Toyota will need a Health & Safety check at least once every 2 years/30,000 km (whichever comes sooner). An intermediate check is necessary every year or 15,000 km.

LOW MAINTENANCE COSTS

All Toyota vehicles are designed and engineered to minimise your maintenance costs.

COMPREHENSIVE WARRANTY

Every new Toyota comes with a 5-year/150,000 km vehicle warranty[¶], which covers any defect caused by a manufacturing fault^{**}.

ADDED SECURITY

Toyota's comprehensive security system withstands the insurance industry's rigorous 5-minute attack test.

TOYOTA EUROCARE

Enjoy peace of mind driving with complimentary Toyota Eurocare roadside assistance in 40 European countries. Extended yearly after the car is serviced at Toyota authorized representation for up to 10 years.

GENUINE ACCESSORIES

Toyota accessories are designed and manufactured with the same care, quality and attention to detail as Toyota vehicles. All accessories are covered by a 3-year warranty when purchased together with the vehicle[¶].

For more information on peace of mind visit:

<https://www.toyota.lt/world-of-toyota/safety/toyota-safety-sense.json>

[§] Check with your retailer for specific Toyota Hybrid Service Programme details.

[¶] Check with your retailer for specific warranty details.

^{**} Transport to the nearest authorised Toyota repairer will also be covered. In addition the 3-year/unlimited mileage paint warranty protects against defects and surface rust caused by a manufacturing fault. Every new Toyota is covered by a 12-year anti-corrosion (not valid for commercial vehicles) warranty against perforation of body panels caused by a manufacturing fault in materials or workmanship.
